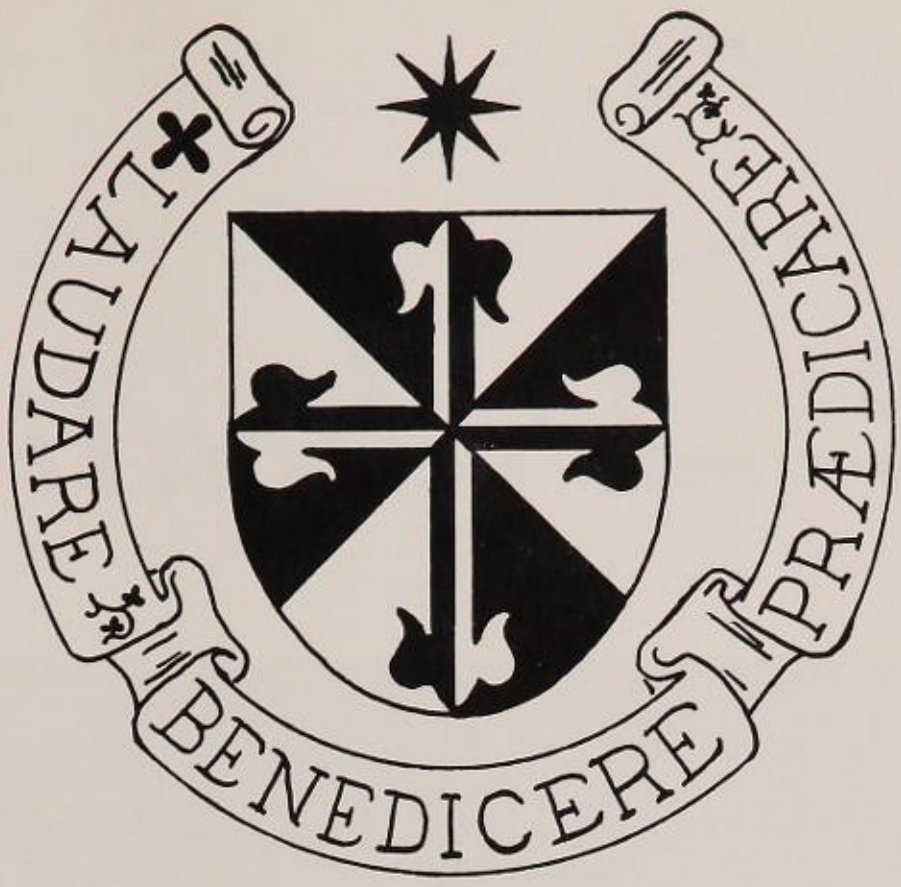
THE SHIELD OF THE DOMINICAN ORDER



Since the time of St. Dominic the Dominican shield has been a sign of truth, penance, and purity, all signified in its colors of black and white. The shield, a masterpiece in itself, has a story behind it.

During the middle ages there was a need for insignias as a means of determining friend from foe. It was because of this need for identification that families and organizations adopted personal seals and coats of arms. The Dominican shield was designed not only as a means of identity but also to symbolize the work of the Dominican Order.

This shield, one of the oldest and finest, is divided into eight parts by the center cross. These eight parts represent the eight points of a compass, indicating the world wide mission of the Dominican Order.

A scroll, which borders the eight parts of the insignia, contains the motto of the Dominican Order; To praise, to bless, and to preach. "Laudare, Benedicere, Praedicare."

Having had the privilege of being taught by Dominican Sisters during our years at high school, we have chosen the Dominican shield, which we all love and respect, as the theme throughout this 1959 Angelican.

Dedication

REVEREND A. J. SHAUGHNESSY

Pastor of St. Alphonsus and Director of Holy Angels, we the graduates of 1959 dedicate to you, Father Shaughnessy, this Angelican in gratitude for your unceasing generosity and aid in both our spiritual and temporal welfare.

ST. ALPHONSUS RECTORY
5704 FIFTEENTH AVENUE N.W.
SEATTLE 7, WASHINGTON

My dear Graduates:

I congratulate each and every one of you on graduating from Holy Angels. I sincerely hope and pray that you will not only be loyal to your Alma Mater but you will always value the lessons in right living you have been taught here.

You know this age is characterized by a remarkable development of human power, activity, and freedom. And the increase of freedom tends to unsettle moral principles and to create a lack of stability; and independence of opinion and a bold and reckless spirit. Outward restraints have been removed to a large extent and consequently there is more need for inward restraints. Holy Angels was charged with the responsibility of teaching you the rules of living. Our prayer is that you will be true to them.

May God bless you,

Rev. A. J. Shaughnessy

at Work

The Confraternity of Christian Doctrine is true Catholic Action – the participation of the laity in the work of the hierarchy. It is an organized mobilization of the potential manpower of the Catholic laity under direct control and supervision by the hierarchy to fulfill the command of Christ to "Go forth and teach all nations."

The primary purpose of the C.C.D. is the personal sanctification of the members through work and sacrifice for Christ. The secondary purpose is the more effective instruction of the children and parents of each parish in their religion.

This enlistment of the help of the laity in teaching Catholic doctrine is no reflection on either the ability or the devotion of our priests and religious or their holy vocations. It is a realistic fact that there are not enough priests and religious to do the job by themselves. What is needed is an aroused laity, the C.C.D., fully aware of their status as active members of the Mystical Body, and working with their priests to bring souls to Christ.

You have been a wonderful help to me these past months in the Library. Be good and lots of luck to a Wonderful Toosh.

RETREAT

A searching look at the condition of her soul is what each girl did during retreat. February 10, 11, and 12 were days in which our attention was focused on our spiritual life.

Under the direction of our wonderful retreat master Reverend Raymond Lassell, C.Ss.R., we prayed to Our Mother of Perpetual Help for special assistance and guidance. The conferences pertained to prayer, the Mass, purity, and confession.

As the prayerful days drew to a close, each of us felt she had taken a big step ahead in her own spiritual life.

Help and advice was given by the retreat master.

The conferences were both inspirational and enjoyable.

Retreat is a time for serious thoughts.

The Rosary was recited during retreat.

Under the direction of Nancy Ahern, each S.D.S. representative distributes literature and in every way possible brings to the attention of her class the need in this day for modest dress for every Catholic girl.

Senior Style Show

"Fashions Flair at World Fair"

All the excitement and thrill of a World Fair was present at Holy Angels on the day of the annual Senior Style Show. A girl from any country would have been happy to wear some of the beautiful fashions displayed. From ski outfits to semi-formals, from smart office apparel to dazzling cocktail wear, all were present in our Style Show. The Senior models represented the Senior Class in presenting to the Student Body their "Fashion's Flair at World Fair" Style Show.

ORGANIZATIONS

Student Council

Sister Mary Rose de Lima, O.P.
Director of the Student Council.

The Student Council is the governmental body of Holy Angels. Its main purpose is to assist the Faculty in the enforcement of school rules and regulations. Its secondary purpose is to contribute its help and ideas in the planning of various school activities.

Members of the Student Council and Sister Rose, Advisor, meet once a month to discuss any problems concerning the school or the students and also, to plan the future activities of the student body.

The Student Council, which consists of the student body officers and the class presidents, also represents Holy Angels in other outside activities, social, religious, and scholastic.

Legion of Mary

Sanctification of members by prayer and good works through their love of our Blessed Lady – this is the purpose of the Legion of Mary. These girls are chosen by the Legion of Mary members and advisors. They must have outstanding spiritual qualities and must live up to their Catholic faith.

Special activities of the Legion are: Weekly meetings and Communion days, sponsoring of teen-age Holy Hours held once a month at Saint James Cathedral, days of recollection, C.C.D. work, conducting the nursery during the Masses on Sundays and Holydays, visiting the sick and distributing Catholic literature.

Girls in the Legion take Mary as their guide and model, and inspired by their love and faith in her, they are confident that the Legion will accomplish great things for God and the salvation of souls.

Sodality

Maxine Hale
General Sodality Prefect

It is a happy and rewarding thing to be a sodalist. Every year we are told that we are all sodalists. This means that we are able to become spiritual members of the Holy Family. We accept Mary as our mother and her holy spouse, Saint Joseph, as our spiritual protector and companion. Christ not only becomes our Brother, but is also able to be accepted more thoroughly as our God and Master.

Every homeroom elects a Sodality Prefect. This girl is chosen for her outstanding spirituality and for her love and devotion to our mother, Mary. Under the direction of Maxine Hale, General Sodality Prefect, and Sister Maureen, Sodality Advisor, the Sodality Prefect of each room has the responsibility of caring for the spiritual side of her class by encouraging Mass Day attendance, distributing pamphlets, organizing mission projects, and in every way working toward the spiritual betterment of the class.

The Holy Angels Glee has quite often had the pleasure of bringing happiness into the homes of the many people in the Seattle area by appearing on the television program "And Give Thee Peace." Holy Angels is proud of her many talented musical groups.

Choir

Good singing takes time and effort, and a long time and hard effort are put in by the girls in the Choir. Under the direction of Sister Alma, the results of their practice can be heard in the beautiful songs at the 11 o'clock Mass.

Orchestra

Holy Angels has a new addition on the activity list! We now enjoy the pleasure of hearing the beautiful music from our first Orchestra. Under the capable direction of Sister Evangelista, Directress of Music and a newcomer to Holy Angels, the girls have been practicing since September. Lots of time and practice have been given by Sister and the girls, and the Orchestra has advanced in smoothness and precision. At our Christmas assembly the Orchestra put on their first performance, and the entire school truly enjoyed singing their Christmas Carols to the beautiful background of violins and piano. We all have great hopes of making the Orchestra an even more outstanding highlight of activities at Holy Angels.

The girls in Junior Achievement are actually operating their own businesses. Junior Achievement is a nation-wide program established by business, educational, and civic leaders who wish to train young people for future jobs in the business world. Groups of young people, between the ages of 15 and 19, are taught to manage and work for a business enterprise. Thus, teenagers gain experience in record keeping, producing and selling goods or services, paying and receiving wages, and using capital. In short, Junior Achievement is an extra-curricular, learn-by-doing activity that teaches young people to be better citizens. The girls in Junior Achievement have set up their own companies, and each has created an article to sell. Junior Achievement is an organization beneficial not only to the country and the people, but also to the girl herself.

Junior Achievement Members, FROM LEFT: Sondra Haney, Joanne Franklin, Betty Mandich (standing), Jackie Wood, Gaye Ann Tough, Patricia Fisher (standing), Eleanor LeMoine, Mary Redfield, Mary Ann Joncich, Marian LeFaive, Maureen Duncan.

Sewing

In our modern and expensive world, every good housekeeper benefits greatly as she is able to sew for herself and for her family. Under the supervision of Sister Rita, the girls in Sewing are learning this economic art. In addition to making clothes, which they will model at the annual Sewing Style Show, the girls have worked on pajama bags, place mats, and on stuffed animals.

Spanish

The Spanish Class of Sister Josita practices orally from the board. By the end of the year, these girls are hoping to be able to speak the language as well as any Spaniard.

Patrol

The Patrol is an organization which enforces the rules and regulations of safety. Each girl will represent her school and the Police Department, and takes on the responsibilities of giving good example and performing her civic duty.
